

PHILIPSTOWN GARDEN CLUB  
JUNE 21, 2020  
ARCHIVIST REPORT

On February 2, Felicia Sauders, Matthew Weigman and I met with Arete Warren, Chair of the Archives Committee of the Garden Club of America. We were very fortunate, prior to the coronavirus shutdown, to spend time at GCA looking at PGC's club files and histories of several clubs.

Towards the end of February, I met with Felicia to discuss the job description of Archivist/Historian. This information will be placed on our club's website.

Mary Tomassio gave the Archives a flash drive of the wonderful photographs she took during the 2019 season, documenting the herb garden at Boscobel. She successfully captures the beauty of the landscape as well as our group of PGC gardeners.

Karen Ertl, compiled and donated to the Archives, reports of Conservation/NAL 2011-2020 documenting her efforts as NAL Zone III rep as well as our club's Conservation Chair.

Respectfully submitted,

Judith Walsh  
Archives Chair
