Good morning, Carol-
Below is the Scholarship Committee's Annual Report. It is very brief!

Hope you are well,
-Andrea

SCHOLARSHIP

In the 2020-2021 season, the Scholarship Committee researched scholarships on the GCA website and shared links and deadlines with the PGC membership via email this past February. At that time, many of the GCA Scholarship URL scholarship links had not been updated for 2021, likely due to challenges associated with COVID-19.

PGC members are encouraged to visit the Scholarship page on GCA's website (<https://www.gcamerica.org/scholarships>) to see what scholarships, grants, and internships are available. Looking ahead, we are exploring the possibility of offering an annual scholarship sponsored by PGC for a Philipstown high school student.

Enjoy your summer!
